Education

Abasyn University of Peshawar

From 2019 To 2023

Bs Software Engineering

Peshawar

Experience

Soft Solution Technology, Raisalpur

From 2021 To 2023

Developed and maintained full-stack web applications using the MERN (MongoDB, Express.js, React.js, Node.js) Stack.

Tecfas pvt.ltd,

From 2018 To 2020

Conducted data entry tasks with a focus on B2B (Business-to-Business) lists, ensuring accuracy and attention to detail.

Utilized B2B lists to extract relevant information such as company names, contact details, addresses, and other pertinent data.
